

Gong Xi Fa Cai !

February 12 marks the start of the Chinese New Year, 2021 Year of the Ox! Although we can't meet as a community, we still plan to celebrate together even though we are apart.

On Thursday, February 11, our kitchen staff will prepare an assortment of Chinese New Year samplers that will be packaged for our HSArts full time students to pick up to bring home. We will have a toast together that evening for our planned virtual Google Meet dinner. Together we will enjoy our student performances as we delight in the prepared food for the holiday!
