

GIRLS' UNIFORM

I. BALLET TIGHTS

All female dance students will need to wear **transition/convertible ballet tights** in **ballet pink** under their leotard for dance class.

The transition/convertible tights have a small hole in the bottom of the foot, which allows for the tights to be worn footed OR footless, depending on the movement they are doing in class. Ballet pink is a pale pink that will look a little close to white when worn/stretched.

2. LEOTARD

Students will need to wear a short sleeve leotard in the designated color for their level.

Please ensure your child's leotard does not have any skirts, bows, or other embellishments! A simple, clean look is required to minimize distractions, show the lines of the body, and ensure that teachers can quickly identify and correct the student's movements.

Level Colors:

- Level 1A/1B - Light Pink
- Level 2 - Light Blue
- Level 3 - Burgundy
- Level 4-5 - Please ask teacher

3. BALLET SHOES

Students should buy **canvas** dance shoes in **ballet pink**, with **split sole** (there are two pieces of leather at the bottom of the shoe rather than one whole piece – please see image below.) *Shoes must fit the dancer's foot snugly.*

- For younger students whose shoe size is not included above, try this [Stelle](#) shoe.
- *All options above are "stretch canvas" (comfortable and make the dancer's lines look great!) and come with elastic rather than laces, so no need to worry about shoes coming untied.*

4) HAIR REQUIREMENT

Please make sure your student comes with her ballet bun done or all of the supplies needed to make a bun!

She will need:

			
Thick hair elastics	Hair net	U shaped hairpins, 2-2.5 inch (bring a lot!!!)	Flat clips to clip down bangs or any flyaways

Please ensure all hair items are in the student's own hair color.

For very young girls with short hair (shorter than shoulder length), they can do a half ponytail with only the top part of their hair tied up. Bangs or hair on the side of the face should be clipped up to ensure that hair will not fly into their face/eyes when they are dancing or moving around.

5) PLEASE NOTE!

Students should not be wearing any jewelry, watches, headbands, etc, in dance class (with the exception of small stud earrings.) If your child wears any of those items during the day, it helps that they take it off and leave it at home or in the car before coming to dance class. (If your child is picked up by our staff members, perhaps they can prepare a small bag or pouch to store their jewelry/watch/accessories in while they are in dance class.)
